Celebrate Women's Day on **Friday, August 09 10:00am** at the Pretoria Botanical Gardens with Dads-in-the-Picture, the Emperors Motorcycle Club, and the Hippo Water Roller Project.

Dear <<First Name>>

On Friday we celebrate Women's Day in South Africa at the Pretoria Botanical Gardens. We are going to host a few races using standard buckets and Hippo Water Rollers (pink rollers in support of Women's day), across the age spectrum (pre-teens to Gogos).

in support of women's day), across the age spectrum (pre-teens to Gogos).

The race will comprise participants to fill buckets of water at point A, and run to point B where they will use the buckets to fill the rollers with water, then run back to point A using the roller. This will demonstrate how much water a roller can accommodate, as well as how easy it is to use compared to traditional buckets.

At the end of the day, we will donate 5 x pink Hippo Water Rollers to beneficiaries chosen by SAVF (SA Vroue Federasie).

We will also have a display for interested parties.
